In questions 1 through 9, all of the choices are correct – each Gospel presents their own part of the story. In question 10, none are correct, since none of the Gospels describe the actual Resurrection of Christ; only what happened afterward. Here is a bonus question: How does the Resurrection change our life? That essay is written every day, in every moment, with all that we say and do.

This is an "open book" test. The answers are found in Matthew 28, Mark 16, Luke 24, John 20-21, and Acts 1.

You may do it by yourself or in a group.

Comparing answers is encouraged. Place an "x" on the line if you think the answer is Biblically correct. Share this with neighbors, friends, and your family for extra credit.

With the Rummage Sale success and finish, we as a Church owe a huge debt of gratitude to the many workers who work the set up, pre-sale, the sale, the clean up and the year-around packing, hauling, storing and planning. The amount of work and the dedication of the workers is hard to imagine if you haven't been a part of it. And yet, while tiring, most of the workers love doing it. It is the satisfaction of making thousands of dollars for everyone's benefit and the rapport of the Church Family that brings them back.

This is a giving Church. This is a Church that shares and cares. But, there are no magicians behind the scenes keeping it running. This Church works because people love it and work for it to be the best church in Sun City.

So here are the questions to ask yourself:

- Have you baked or bought for coffee hour?
- Are you able to help now and then with coffee hour serving or clean up?
- Is there some Committee or Board that you would consider working on if you maybe knew exactly what they did or what was expected of you if you attended or joined?
- Would you like to find a way to meet and interact and make new friends?
- Have you put Church of the Palms in your Will so that the work of this Church can continue? You and your descendants have living expenses and so does the House that God built.

Yes, this is a gentle suggestion and reminder that everything that is accomplished by this Church that we love comes from our service to God and our caring for each other. It takes a team. And if it's been awhile since you thought about what you could do, it might be the right time now. Because I can attest that there are many people who serve as if cloned. They might be a little tired.

This is your Church. You are invited to serve as well as worship, if you are physically able. If you are unable to serve in this way, then we invite your generosity. If you are limited in funds, we seek your prayers for our continued wealth of love and success.

And thank you to the many who do so much for the good of all. We notice.

Judy

Excursion to Antiques on Central
730 East Missouri Avenue | Phoenix, Arizona 85014 |
antiquesoncentral.com

By special request, the Church of the Palms bus will be traveling to Central Phoenix on Saturday, April 7th for the Re-Grand opening of Antiques on Central.

April 2018 marks the three-year anniversary of Antiques on Central at its present location. You are invited to join us for the celebration on April 7th for a great shopping experience. The bus will leave the church at 9 a.m. and leave the store at 12:30 p.m. If you choose to drive yourself, you will find the store located on the Northeast corner of 7th Street and Missouri in the Cinema Park Shopping Center.

The store has been in operation for 28 years and was originally located on the corner of Camelback Road and Central Avenue. The store relocated to 7th Street and Missouri three years ago but retained the name. Pastor Jim Alexander and Jeffrey Scruggs (or Shane as he is known in the business) are two of the three owners of the store, a transition that occurred upon the recent retirement of Cliff Sharar and Doris Leis who are well known antique dealers in the Valley.

Jeff has managed the store for the last 10 years and has an extensive background in retail. Jim has an extensive background in accounting and business development. The third owner of the store, Sylvia Wells, has a vast knowledge of fine antiques and collectibles and is a mainstay in the antiques community. This team has a commitment to provide high end antiques & collectibles along with excellent customer care and a superior shopping experience.

Please use the sign-up sheet in the Narthex if you would like to attend this excursion.

Born from an ancient riverbed that blessed the grounds with naturally-rich soil, The Farm's vision of sustainability was originally conceived by Dwight Heard (benefactor of the Heard Museum) in the early 1920's. He acquired a large parcel of land and then subdivided the property into two-acre parcels that he sold for the whopping sum of \$1,150 with the distinct purpose of promoting self-sufficiency. Heard offered a cow and fifty chickens with each purchase. That was the beginning of the Farm as we know it today. Please use the sign-up sheet in the Narthex.

This series of films will focus on stories that have moved from the written page to the movie screen. From a short story, F. Scott Fitzgerald's "The Curious Case of Benjamin Button," to a magazine serial, Leo Tolstoy's "Anna Karenina," to novels set in the 50s, 60s and 2000s. Julian Barnes' Man Booker Prize winner "The Sense of an Ending," and Robert Harris' taut thriller "The Ghost Writer."

Thank you all so very much for all your hard work in making our March Rummage Sale so successful.

We heard lots of very positive comments from shoppers, had some great fellowship and teamwork, and burned off a few calories! We are a blessed church and make a positive difference in lots of people's lives. Thank you to our staff for pitching in and doing "rummage sale" along with all their other responsibilities. We took in \$15,244 for this sale which is one of our highest March sale totals. In addition, we helped many other non-profits with surplus items. I hope you feel as good as I do about the work we do!!

Debby Stinton is leading this group. Talk to her if you are interested in catching up, or just plan to come join the Sunday morning community of lifelong learners! April 1, 10:00 a.m.: Pastor Paul is preaching. Read John 20:1-18. Who plays the role of the Easter fool? Could it be us? Come and find out Pastor Paul's ultimate Easter fool.

April 8: Pastor Paul will be preaching from the text John 20:19-31. The Risen Christ has scars – just like you and I do. The resurrection didn't remove the pain of the past, it empowered Jesus to live beyond the pain.

April 15: Read Luke 24:36b-48. Have you got anything to eat? What an odd question! And that is query Jesus asks right after the resurrection. So, do we have anything to eat? Pastor Paul will be preaching.

April 22: Earth Day! Earth, can it save itself? A meditation on Creation, Planet Earth, and Humanity using different scripture passages to tell a story. Debby Stinton will be preaching .

April 29: Pastor Paul will return to the pulpit using Acts 8:26-40 as his text. God's grace is wide. How wide? Wide enough to include even you and me!

EARTH DAY – April 22, 2018

Let's talk ENVIRONMENT!

Earth day is an annual event supporting environmental protection. First celebrated in 1970, Earth Day is now celebrated in more that 193 countries and is coordinated globally.

Below are 13 simple ways that we can do right now to help:

- 1. Plant something – be like Pastor Paul (okay not that radical)**
- 2. Buy or use reusable bags – we've seen the damage plastic bags are doing to our ocean life.**
- 3. Keep the car in the garage – be like Bertie, Nancy, or Joyce – bike or walk to nearby places.**
- 4. Invest in a reusable coffee cup at work or church – be like Debby or Jan – bring your own cup.**
- 5. Stop drinking bottled water – use a refillable water bottle .**
- 6. Consider adopting a highway, road or street – it's like cleaning up after a party.**
- 7. Bath versus a shower – showers use less water unless you are in there for an hour.**
- 8. Do your faucets leak? – this can cause bigger damage than just water usage.**
- 9. Have you updated your light bulbs yet? – LED light bulbs last up to 50 times longer they say.**
- 10. Stop smoking – good air quality in and outside of the house for our loved ones.**
- 11. Recycle – especially newspapers. Trees are saved, which means more oxygen.**
- 12. Use Earth-Friendly Cleaning products – these are clearly marked.**
- 13. Unplug small appliances – who knew this would save electricity and money?**

Church of the Palms Social Justice team is looking at many different justice topics and the environment is an important one for the future of our planet. We may even want to consider being a "Creation Justice Church," and part of the environmental justice ministry of the United Church of Christ as a whole. The following piece is from the UCC.org website.

Submitted by: George Wall and Debby Stinton

Creation Justice Churches

Whether it is taking on climate change or addressing the lead poisoning of children, environmental justice ministries could not have a higher purpose or calling than they do now. If the followers of Jesus today care about the air we breathe, the water we drink, or the world in which we live, then environmental justice ministry should undoubtedly be an integral strand in any church's DNA. The UCC's Creation Justice Church program aims to help you do just that. Here are some of the tremendous features and benefits of doing the program:

- Congregations collectively discern their high calling to care for creation and seek justice for the oppressed.
- Congregations make a commitment so serious and so sacred that it necessitates talking about God's covenant with us and with all of creation.
- Congregations not only become recognized as "green." They become a part of a larger network of churches and a larger movement to change the world.
- Congregations engage in critical thinking about the socioeconomic dimensions of environmental justice such as race, class, and global inequality.
- Congregations foster a deeper sense of connection: connection to God, to each other, and to the world in which we live.
- Congregations unleash their imagination and creativity as a sense of purpose propels them to make a difference.

Many thanks to you for the warm welcome that you extended to Daoud Nassar (Tent of Nations and Bill Plitt (Friends of Tent of Nations). We are always encouraged by the love, understanding, and support that we receive as we travel the country sharing the story of the steadfast hope of the Palestinian people.

Children First Academy

Thank you to all who purchased water or made a contribution to purchase water for the students at Children First Academy. Children First Academy is a school dedicated to serving homeless children in the Phoenix area. The water will be given to students

during bus rides to and from school during the hot months of the school year. It will also be given to students while they are taking the annual state tests. The population of this school is made up of students whose parents live in shelters, in makeshift homes, or who have a different dwelling place from month to month. Our Board of Mission & Outreach and Social Justice Team have supported this school for the last three years. In addition to providing water for the students, our church also purchases books to be given to students so they have something to read during the

summer months. We are the church and we do make a difference in the lives of those on the margins.
