

Bridges to Learning 101

During this time of Healthy Hiatus, Church of the Palms will be meeting online via Zoom for classes and important meetings.

From Jump Start on Tuesdays to Sunday Morning Conversations, Bridges to Learning (B2L) will allow The Palms of Jesus to connect live and face-to-face. The Palms' staff will be coordinating these gatherings/meetings, making attendance as simple as a few steps for those participating:

1. Join classes or meetings by clicking on a link on the Bridges to Learning page. (Note: The FIRST time you open a B2L link, you will be prompted to download the Zoom app. This is FREE. Please follow the instructions given to install. It is not necessary to install Zoom to attend a class or meeting, but installation makes the process smoother.)
2. For any video/visual participation, you will need a camera either on your phone, or on your computer. If you do not have one, contact The Palms' office by calling 623-977-8359 or emailing manager@thepalms.org, and we will provide instructions for calling in to the class or meeting using your phone.
3. We encourage participants to mute themselves when not actively speaking because household noises can often times be a distraction to others. Please click the Bridges Tutorial link below to learn about in-meeting functions.
